

Northeast Wisconsin DX Association  
(NEWDXA)  
Minutes  
February 1, 2025

Our meeting started out with John K9EL's presentation about ClubLog – a free DXing database that allows you to analyze your log, view statistics for DX stations, track your progress in the Leagues Tables and much, much more. Mike N9UA remarked that the Personal DXCC Charts is much more useful than LOTW. You can view DXpedition action in real time using the Livestreams tab and easily request QSL confirmation/cards through OQRS.

The meeting was called to order at 10:50 a.m. by President Bob Ronk W9AP with 16 members and 1 guest (speaker) present.

Minutes from the November meeting were approved as read.
