Mike N9UA read the minutes (as KC9YL was absent). Minutes approved.

Jim K8IR presented the treasurer's report. Current balance is \$2191.86. We've donated \$750 year to date for various DXpeditions. Report approved (see attached).

There was no Old Business.

New Business – Tom AA9A and Mike N9UA Director terms expire at the end of this year. The floor was opened for nominations and both were nominated for reelection at the November 2nd meeting.

Skip KE9L shared charts on the current sunspot level, and Cycle 25 update. He also shared the upcoming DX Calendar (attached). The suggestion was made to donate to 3D2Y – Rotuma going live later this year. This DXpedition will combine the new "NextGen RIB" for operators on the Island, as well as nearly 40 remote ops. There will be a concentration on YOTA involvement, with NCDXF contributing costs for travel of on-island youth. Some discussion was had and due to our current treasury balance it was felt that we couldn't donate at this time

There were no Membership or Contest Reports.

Mike KN9P made a motion to Adjourn, seconded by Gerry WA9GON.

The program "Antennas for Little Pistol DXers was presented by ED N9EP, Bill W9JJB, Lim WB9FLY, and Lee WA9LEY.

Respectfully,

Jerry K9USN
