Old/New Business

Members discussed operating a special event station to celebrate the club's 25th anniversary. 1x1 call signs can be selected from the available pool, but you would not want to use one that was recently used, and ARRL needs 2 months' notice to publish special events in the magazine. If you have ideas for a call-sign & dates of operation, please contact Tom AA9A.
Skip talked about the DX Club challenge and encouraged members to participate.

Contest Report

Members were encouraged to participate and submit their logs, especially for the ARRL and CQ contests.

Membership Report

Gary Van Ryzin joined NEWDXA as member #129. Anne KC9YL reminded members of the upcoming WIPOTA event on Saturday, September 15, and will be setting up a membership table at FCARC's HamFest on November 4.

Top Dog in Appleton has the NEWDXA logo on file and is able to embroider club clothing & hats. You can contact them directly. Vendors in Plymouth will be contacted about printing club name badges. We do have some blanks pre-printed with the club logo.

Election of officers will be held at the November meeting for 2019. Offices up for re-election are Vice President, Treasurer and 1 Director. If you are interested in any of the position, please contact any current officer. Nominations will also be taken from the floor.

Open Forum

Tom AA9A talked about using the District 9 bureau and recommended either sending a check, or the proper-sized envelopes. He anticipates a big influx of cards, due to the popularity of FT8. An email list of current bureau card-sorters was distributed.

Dues for INDEXA (International DX Association) are \$20 and membership supports DXpeditions to the rarest (top 60) entities.

The 50/50 raffle was won by Dwight NS9I and 2 donated tickets by FCARC for the Appleton Hamfest were won by Gary W9HM.

Program

Members watched a video of the 2017 3CO DXpedition.
