Old Business

Wisconsin's PRB 1 law has been signed by the Governor. Thanks to Mark, W9OP, for his help in passing this legislation. George, W9MDP, reported that new member certificates were being printed and would be available shortly. In addition, VP6DI, Ducie Island dx-pedition has received our contribution and will be including the NEWDXA logo on their QSL card. The NEWDXA website has been hit by a virus. Brad, W9ZT, has been working on getting it back up and running. Thanks again to Brad for hosting and being webmaster for our site. Chuck, K9IA, will be taking care of our URL registration. Thanks Chuck. Tom, N9WI, passed out new tri-fold information sheets on the Association. John, NZ9Z, our membership chairman, challenged the members to use them to recruit new members.

New Business

A discussion revolved around e-qsling. Note that to use e-qsling you must be able to provide specific information on the QSO. So logging is very important. Although logging is not required anymore, it certainly continues to be needed.
