Old Business

Discussion continued on our website. We have found a hosting company that will host our website for free and provide easy access to maintain a password protected members only area, general database, minutes, newsletter and picture pages. Our new website is 99% complete and can be viewed online at newdxa.org. We will also be linking newdxa.com to our new website. A big thank you to Tom Prust (Jr.) at Digitalcarpenters.com for their outstanding effort in developing our new website. George, W9MDP, has ordered a light-weight banner for the club and is due in in January. The 160 meter antenna we procured for Victor, ZK1CG, has shipped and is in place. Our portion of the shipping costs came to \$125.00. Upon MOTION made by Tom. K9CJM, seconded and passed: Be it resolved that the Association contribute \$125.00 to cover the cost to ship the antenna and materials to ZK1CG.
