NEWDXA MEMBER REACHES ARRL DXCC HONOR ROLL STATUS

JOHN T. SCHNETZER

(K9UP)

CHARTER MEMBER #21

**RECEIVED HIS ARRL HONOR ROLL PLAQUE ON
JUNE 25, 2011**

NEWDXA members strive to work DX stations and when they reach Honor Roll status it is a milestone in their DX achievements. At this time you must have a minimum of 329 confirmed entities. This means the candidate is within reaching the top of the total entities listing (338) and making #1 Honor Roll. Members working DX stations to finally achieve HR status requires patience, perseverance, good equipment, fine operating skills and ethics.

The NEWDXA Board of Directors and membership extends well done and congratulations to a fellow member on this achievement!
